

**Bathtub Faucet
6781-M2-80CP**

INTRODUCTION:

ETHER bathtub mixer breaks the image of traditional faucet with smooth lines and dim imagine making the bathtub mixer to be not only an appliance but also an artwork. Overall concept of ETHER Series Faucet is based on the idea of illimitable space outside of sky, and it has also been mentioned by philosophers of Greek and China Taoism. The smooth lines and dim imagine are like aurora on ether and current in deep ocean. The unique design of ETHER breaks so-called shape and brings faucet to artistic decoration level.
